

Eden madia / sideboard

design **Lorenzo Remedi**
+ **R&D Bontempi**

La madia Eden è unicum di innovazione tecnologica e matericità, pur avendo una linea classica e funzionale. Le ante a specchio, fumé' o bronzo, diventano un rilevante dettaglio estetico. La particolare lavorazione, dalla forma lineare ma decisa, cattura lo sguardo su tutta la superficie che muta in relazione alla luce e al punto di vista di chi la osserva, con giochi cangianti di luci e ombre.

Though characterized by a classic and functional design, the Eden sideboard stands out as a unique blend of technological innovation and material craftsmanship. Its mirrored, smoked, or bronze doors serve as captivating aesthetic highlights. The meticulous manufacturing process, marked by a linear yet sharp silhouette, captivates the viewer across its entire surface, transforming dynamically with variations in light and the observer's perspective, creating mesmerizing iridescent plays of light and shadow.
