

# Arced Mirror

“The Arced Mirror’s characteristic shape is both angular and rounded, blending my research on material extrusions with the classical shape of windows I see on my way to work in Sydney. I wanted to take a form that fits in various environments and put a subtle twist on it: the milled details and stained wood material make for a modern interpretation of a traditional form. That gives it a sense of familiarity while being pared back and sophisticated.”

— Rhys Cooper

| <b>Designed by</b>         | Rhys Cooper  |
| <b>About the designer</b>  | Rhys Cooper is a furniture, lighting, and object designer based in Australia. Establishing his studio in 2016, Rhys is committed to working with high-quality materials and collaborates closely with local Australian craftsmen and industries. Rhys is passionate about producing dynamic and original designs that balance artistic integrity and producibility. His work seeks to spark conversations and introduce new dialogues.   |
| <b>Environment</b>         | Indoor   |
| <b>Description</b>         | Blending a traditional wooden mirror style with a modern touch, the Arced Mirror comes in two versatile sizes and features a subtle frame recess, giving it a charming window-like allure. The mirror is treated with a wood stain color and finished with a clear matte lacquer that brings forth the natural character and grain of the spruce wood. Available in three colors—Light Grey, Light Green, and Light Lilac, each offering a distinct and unique expression.             |
| <b>Material</b>            | Frame made from FSC™-certified (FSC-C028824) spruce wood. Clear mirror glass. The spruce wood frame is treated with a wood stain color and finished with a clear matte lacquer. The backside is enclosed by a black backboard.   |
| <b>Cleaning &amp; Care</b> | <p>To avoid damage from oxidation, please do not hang the Arced Mirror in surroundings with wet elements or high humidity, such as bathrooms or outdoors.</p> <p>To clean the Arced Mirror, use a mild glass spray and wipe with a soft, dry cloth immediately after spraying. Do not use acids or alkaline cleaning products. Ensure the areas between the frame and glass are dry. Avoid spraying the spruce wood frame. Make sure that the mirror is dry when cleaning is done.</p> |
